## Team Bio Info for Member Page

In order to create a more personalized member page on the DiscDoGG website we encourage you to include additional information about your team.

We've compiled a few questions to get your creative juices flowing. Feel free to answer as many as you'd like or you may provide your own personalized write up. The additional information is optional as being a current member includes a basic member page on the DiscDoGG website.

Any favorite photos you would like used need to be provided in an electronic format. We take photographs at all events so if you see one you'd like to use let us know.
